How Students are building their newsroom

A note from our CEO

Reflecting on our performance last quarter, we saw incredible results. We exceeded our sales projections by 8%, and that success is in large part due to your hard work and commitment to upholding our core values: innovation, quality, and partnership.

We continued to show up for our clients - bringing tailored solutions, fresh perspectives, and quality experiences to every interaction. And, with your continued support, I know that we have what it takes to continue this upward trend in Q2.

We have the relationships, we have the products, we have the infrastructure, and, most importantly, we have the people. On behalf of the executive leadership team, thank you for a fantastic first quarter. We appreciate each and every one of you and look forward to what this new quarter will bring.

Thank you,
Greg Johnson

Your health and wellness are very important to us

We know that the key to a healthy Milec is healthy Milec employees. That's why we offer Wellness benefits to every full-time employee at Milec Steel.

Mental Health Days:

Did you know you're given three Mental Health Days per quarter? These are designed to help prevent burnout and encourage a healthy work-life balance at Milec Steel. To take advantage of this benefit, log into the Milec employee portal to see which days are available and request your days off.

Get Moving Wellness Program:

Physical exercise and movement are important for vitality and longevity. If you haven't yet, sign up today for our Get Moving Wellness Program, which reimburses the cost of wellness activities of your choice, up to \$100 per month! This includes gym memberships, workout classes, yoga and more. Reach out to your HR representative to learn more and sign up.
